EVENTS/NEWS

PRINCIPALS MESSAGE

The leaves are turning, the mornings have a crisp nature to the air, fall is upon us and we have had a beautiful start to October. As we begin for the inevitable colder temperatures, and yes some snow to fly, we have another opportunity to enjoy some outside family time and enjoy our shortest season.

This time of year always brings colds and flu's and I want to thank all of you for being diligent in keeping your student (s) home when they have symptoms. I know it isn't always easy to organize childcare and provide comfort for a sick child, but your efforts help to keep the rest of us healthy and snuffle free.

September was a month of new, and renewed beginnings, at the school. We welcomed a new secretary/librarian to our ranks Tammy Shynkaruk has joined our Mustang family as Mrs. Kauhfold moved into her endless summer and retired to the lake. We also have many new students in the school this year, they are beautiful additions and we are so happy to have them.

We saw the start of extracurricular activities with our senior volleyball teams already in action, elections for our Student Leadership Council just around the corner, and Cross Country running well underway.

Thanksgiving is just around the corner and our Halloween Carnival will finish the month, but in between awesome learning and engagement are happening in the classrooms, and the buzz of new faces and new experiences is incredible to see in the school.

Have a great month everyone, and if you're lucky enough to have some pie on Thanksgiving, save a piece for me!
