Hello Parents, Guardians, Students, and Families

Greeting on this Hallows eve, and I hope your treats are as big as your tricks! For us, our Carnival and Haunted house were a big success and I want to thank our grade 11 and 12 classes for all the work they did pulling off both those feats. Our volleyball teams are finishing up extremely successful seasons and before we know it the snow will fly and Christmas lists will be made.

As we look into November, we will be having our Remembrance Day Ceremony on Thursday, November 10th, before we head into our extended weekend and the finishing of Quad one for our Grade 10 -12 students. Parents, please use Edsby to check in on your student's successes or to identify any concerns. They have made some changes to try and make it more user-friendly, but if you are still having trouble please give the school a call, or drop in and let us help you out.

Our SCC is having its' Annual General Meeting on the 23rd and will be voting in new members for the Executive, please let us know if you are interested. The SCC is also having a Christmas fundraiser selling Poinsettias and Wreaths. Please have your orders in before November the 15th!

Speaking of Christmas, Jamie Jensen has graciously agreed to organize our Christmas Dinner this year. If you are willing to help please contact Jamie and she will let you know what you can do.

Enjoy the last days of this glorious Fall!

M. Gray, Principal

After School Program at Candle Lake KIDS CURLING

Dear Parents,

Beginning Thursday, November 3 and every Thursday that there is school after that until December 15, there will be curling instruction, practice and games for students Grades 3 to 12, at the Candle Lake Curling Club. It will continue January through March as well. There is no charge for this. Sliders and brooms are available for use. Students should bring mittens or gloves and either curling shoes or clean running shoes to wear on the ice. The sessions will run from 4:00 to 5:15.

If your child will be participating and rides one of the Candle Lake buses, your child will ride home on Debbie's bus #250 on Thursdays. You must give her a call at 306-981-4170, saying that you give your permission for her to let your child off at the curling rink on Thursdays. If your child normally takes Arlene's bus, please let Arlene know that your child will be taking Deb's bus on Thursdays. If your children do not take a Candle Lake school bus, they are very welcome to attend, but you will be responsible for bringing them to the rink.

There will be a light snack provided when the children arrive. Parents are welcome to come and watch and even participate. Please be at the rink a bit before 5:15 to collect your child in case we finish early.

Call Valerie Manton at 306-960-0693, if you have any questions.

Meath Park Public School Before & After School Program
