A big thank you to the Candle Lake Communities in Bloom committee for their generous donation!

Hello Families,

Isn't it March that's supposed to come in like a Lion? We were able to avoid so much of this brutal weather all winter, so we can only hope that this will be brief and the warm weather is not too far away. At least we can say we had a relatively wonderful January and this cold snap will be a short stay.

Thank you for your patience with our report card issues and I do apologize for the delay in getting them out. New systems always provide new challenges. I have had some questions surrounding when our next progress report evening is, our next one is towards the end of March, however, please feel free to reach out and message or call your teacher if you have any questions or concerns.

Family week always makes February come and go so fast and we have a couple of events leading up to March. Our SLC has organized a Spirit Week and Crush sale as we head into the break. We look forward to a huge milestone day in our grade 1 class, as they celebrate 100 days of school on February the 9th, and our Senior Boys will be burning up our courts at their home tournament on the 10th and 11th.

Have a great month everyone, stay warm!

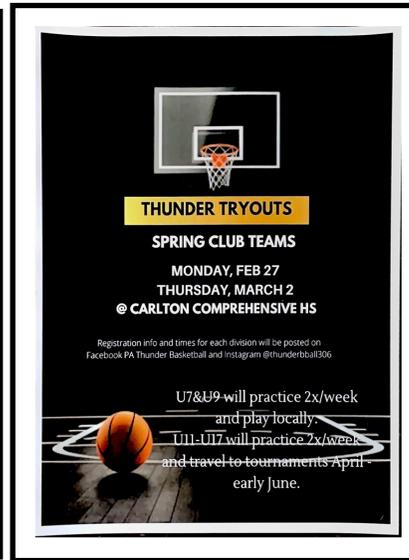

Matt
