MEATH PARK PUBLIC SCHOOL

JUNE 2023

ADMINISTRATORS' MESSAGE

Mr. Matt Gray, Principal

Mrs. Sheri Gunville, Vice Principal

Dear Parents, Guardians, and Students,

We hope this message finds you well and in good spirits. As we transition into the month of June, we wanted to take a moment to share some important updates and exciting news from our school community. **Graduation Ceremony:**

1. We are thrilled to announce that our much-anticipated graduation ceremony will be held on June 23rd at 6:30 PM in the school auditorium. We invite all graduating students, their families, and friends to join us as we celebrate this significant milestone in their lives. The Graduands will have supper before the ceremonies in the gym, this will be by invitation only. We will once again live stream the ceremonies and make the link available on the day of Graduation for those who wish to watch from afar.

Year-End Awards:

2. On June 27th, we will host our year-end school awards ceremony in the gym beginning at 10:00. All parents' whose students will be winning an award will receive an invitation the week before, however, anyone wishing to attend is welcome.

Staffing Changes:

3. As we close the year and look into the next, we have another welcome to make to our staff. Hannah Donaldson will be joining us, as Ms. Simpson has taken another opportunity. Hannah is an accomplished track and field athlete and will strengthen our middle years and arts programming.

We are grateful for your unwavering support and dedication to our school community. As always, we value your feedback and suggestions. Please feel free to reach out to our administration or faculty with any questions or concerns you may have.

Wishing you a wonderful month of June filled with joy, growth, and success.

Best regards,

Matt Gray
Principal, Meath Park Public School

Volunteers

We wanted to take a moment to express my heartfelt gratitude for the dedication and selflessness of all of those who have spent time volunteering this year to make our school a better place whether it was the parents who came to help with your student's classes, field trips or chipping in to make a school event smoother. To our School Community Council members and Before and After School members, whose planning helps shape the direction of the school.

Please know that your efforts are valued and appreciated. Our community is a better place because of volunteers like you, and I am grateful for your commitment to making a difference. Your kindness and dedication truly make a lasting impact.

Thank you once again for your incredible volunteer work. Your selflessness is an inspiration to us all.

Donation

Our Practical and Applied Arts program is something we pride ourselves in and believe strongly in making sure our students are using equipment that they will need to use once they have successfully entered the work force. However, as machinery gets older, we must find the resources to replace it with newer equipment.

I would like to send a huge Thank-You to Debbi Haydamacka for her generous donation to our PAA program. The donation will be used to begin the funds needed for a new planner in the shop, and some stand mixers for our food studies program.

Awards

Meath Park has set aside Tuesday, June 27th for their Awards day. We use this day to celebrate both the academic and athletic achievement of our students.

At 10:00 am that morning, we will have a grade 1-12 assembly that will celebrate the academic achievement of all of our students. We will then give out medallions to students in each of these grades who have achieved level 4 (mastery) in the majority of the outcomes in the four core subjects of Math, Science, Social and English.

During this time, we will also celebrate the athletic achievement of our athletes from grades 7-12 and be giving out athletic awards.

Meath Park School Staff Changes

June is always an exciting time, but also comes with the inevitable goodbyes that come with staff changes. This year we will be saying goodbye to Mrs. Sheri Gunville, Charitee Lehner & Haley Litzenberger.

We thank you for the time and dedication you have given to our building, our students, and our community.

With the "goodbyes" also comes some "Hellos". Our new Vice Principal for next year is Mrs. Jennifer Painchaud. We would also like to welcome teachers, Mr. Travis Dryka & Miss Hannah Donaldson to the school. who will join us in the fall.

June Report Cards

The last day of school for Grade 1-9 students is Tues, June 27th. Grade 1-9 students will receive their Report Cards at the end of this day. Any families who will not be here on that day are asked to send a self-addressed, stamped envelope to school prior to that day and your Report Card will be mailed home.

If you have any questions in regards to this, please call the office at (306) 929-2133.

Library News

June has arrived and we are almost at the end of our library classes! We had a great year of reading.

The last week to borrow books will be the week of June 5th to 9th and books will all have to be returned by June 16th. This is a very important time in order to prepare the library for closure for the summer.

Enjoy the summer sun and don't forget to READ!!!

Kindergarten to Grade 4 Play Day

Play Day 2023 will happen on Wednesday June 21st in the afternoon for our K-4 students. A note was sent home regarding a BBQ beginning at lunch. If you need another note, please ask your homeroom teacher. Parents and Guardians are welcome to attend both the BBQ and be a spectator for the afternoon. Students will be placed in groups and will visit a variety of stations outside.

Thank you in advance to our Grade 7 & 10 students who are leading groups and events that afternoon!

Kindergarten News

Our current Kindergarten group will enjoy some fun filled days before the school year comes to a close. On Friday June 9th we will take part in a field trip, on the afternoon of Wed. June 21 we will participate in the K-4 playday activities with a BBQ lunch. On June 26 the K's will come together with their families for our year end celebration that will begin at 1:15 pm in the school gymnasium. The last day of school for the kindergartens will be June 26.

Track and Field

Jr Track and Field

On Tuesday May 16 we held our annual Grade 5-8 track and field meet at the school. It was a great day to spend outside and we are thankful that the events were finished just as the forest fire smoke rolled into Meath Park. A big thank you to our high school students for being group and event leaders and our Food Studies 30 students who made sure everyone was fed! Students who wish to attend the city track meet in PA have already received a schedule and practices at lunch have been underway.

Good luck to all students going to PA to compete against other SRPSD students!
