Dear Meath Park Community,

As we transition out of the crisp and colorful months of September and October, it's a time to reflect on our journey so far in this academic year. It's a season of change and growth, and I wanted to take this opportunity to share some thoughts and updates with you.

Reflecting on Our Progress: The first few months of this school year have been marked by resilience, adaptability, and dedication from our students, staff, and parents. We've overcome challenges, embraced new learning methods, reinforced expectations, celebrated, and continued to build a strong sense of community. It's important to take a moment to recognize and celebrate our collective achievements. Whether it's the Must See Mustangs we display every day, the students who are taking leadership roles in our school and across our division, or the immediate impact we are seeing in our classrooms through our new literacy initiatives, every step forward matters.

Gratitude for Our Community: I want to extend my heartfelt gratitude to all the members of our Meath Park community. Your support, patience, and collaboration have been pivotal in making our school a thriving and nurturing place for learning. The social capital your support brings to our school is instrumental in helping us build as a team and community. Together, we've shown that we can adapt and evolve in the face of change and that our commitment to education remains unwavering.

Upcoming Events and Highlights:

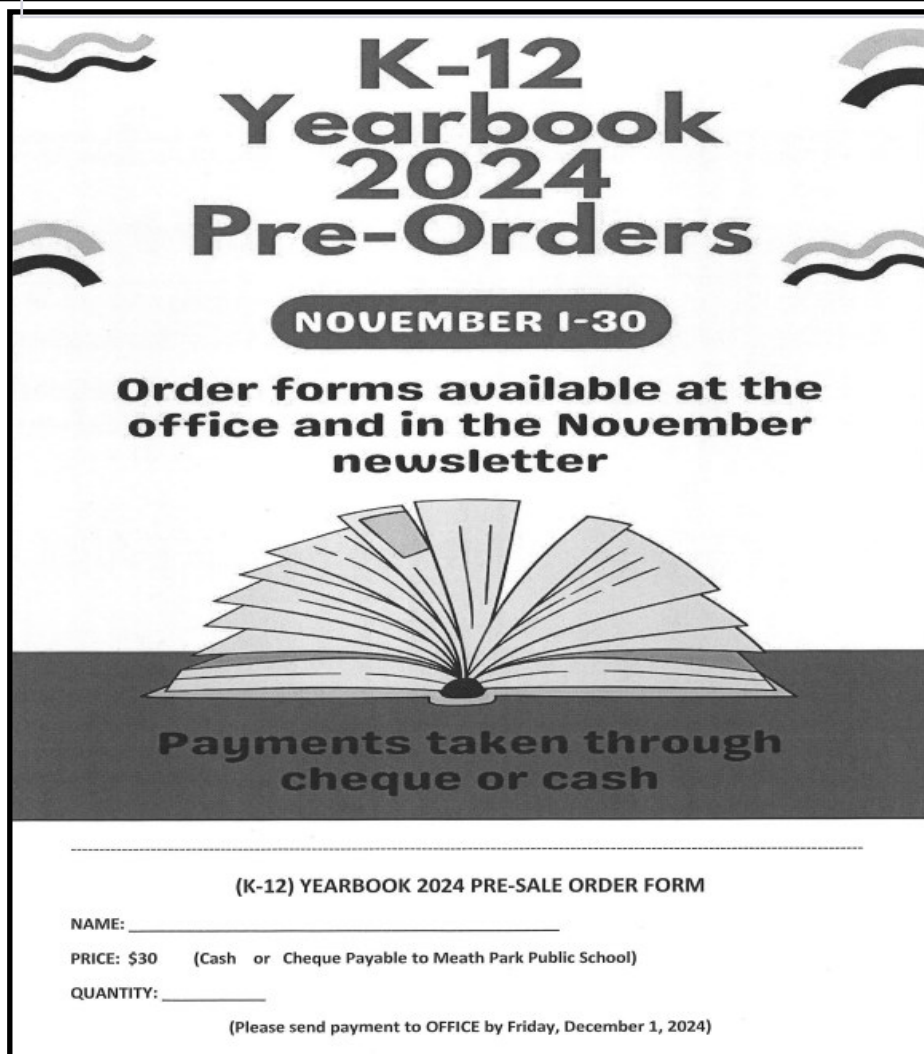

- **Student Progress Evening:** Our student progress conferences will be held on November 8th from 3:30 - 8:30 p.m. This is an excellent opportunity for you to engage with your child's teachers, discuss their progress, and set goals for the remainder of the year.
- **Remembrance Day Assembly:** We will be observing Remembrance Day on November 8th. The public is welcome to join us, the service will begin at 11:00a.m.

Highlights: We have a grade 12 student, Charlie Lysyk, who is serving as the rural chair on the Sask. Rivers Students for Change Council. In October we hosted three family engagement events: the Muffins in the morning reading event for Education Week, the Halloween Dance, and the Halloween potluck and parade. We started a UFLI intervention block for grades 2-6 students so all of our students are getting targeted reading intervention if they require. Our high school students attended the *Opening Doors to Tomorrow* career fair. We welcomed a new Educational Associate to our building, Velda Court. We were able to keep our bus routes rolling with your support in finding applicants. Our junior and senior volleyball teams have had a successful season. There are many positive happenings to feel proud about!!

In Conclusion: As we move into November, let's remember to take a moment for reflection and gratitude. It's through reflection that we can appreciate how far we've come and set our course for the future. We are committed to providing an exceptional learning experience for all our students. Thank you for being part of the Meath Park family, and I look forward to all the achievements and experiences the coming months will bring.

Warm regards,

Matt Gray and Jennifer Painchaud

**Come join us for Rainbow Time Play
School**

Join us every Friday mornings 10-12pm (except when Meath Park school has no school.)

We are open to preschool aged (0-4 years) kids and their caregivers.

We are located in the Meath Park Community Centre (previous known as the Meath Park Senior Center)

For more information contact Jody at 306-981-3575

**PLEASE SEND WATER BOTTLES TO
SCHOOL WITH YOUR CHILD.**

We are handing out a tremendous amount of cups to students daily for water, this is a expense to the school that can be avoided if you send a water bottle with your child to keep at the school.

If you have extra bottles at home and would like to donate them to students who do not have a water bottle please send them and we can distribute them those in need.

THANK- YOU!!!
