Dear Meath Park Community,

As we usher in the festive month of December, we are delighted to extend warm greetings to you and your families.

**Holiday Events and Activities:**

We have an exciting lineup of holiday events and activities planned throughout the month. From festive performances by our talented students to school lunches, to community outreach programs, there are numerous opportunities for everyone to get involved and spread the joy of giving.

**Giving Back to Our Community:**

As part of our commitment to community service, we will be organizing a food drive during our Christmas Concert to support our local food bank and families in need. Your participation and contributions will make a meaningful difference, embodying the spirit of generosity that defines our school community. Please bring a non-perishable food item that night to support the food drive.

**Upcoming Important Dates:**each member of our school family. It is a time of joy, reflection, and, most importantly, a season of giving.

**Embracing the Spirit of Giving:**

This December, let us come together as a community to embrace the true essence of the holiday season—giving. Whether it's through acts of kindness, sharing our time, or supporting those in need, our collective efforts can make a significant impact.

- December 1st: K-6 Students go to see Little Mermaid
- December 19th: Christmas Dinner
- December 20th: k-8 Christmas Concert
- December 22nd: Last day of classes before the Christmas Break
- January 8 : Resumption of classes

Please mark your calendars, and let's make these moments memorable for our students and their families.

**Closing Thoughts:**

As we navigate the final weeks of the year, let us reflect on the moments that have defined 2023 for us. It is our hope that the spirit of giving will guide us not only during this holiday season but throughout the coming year.

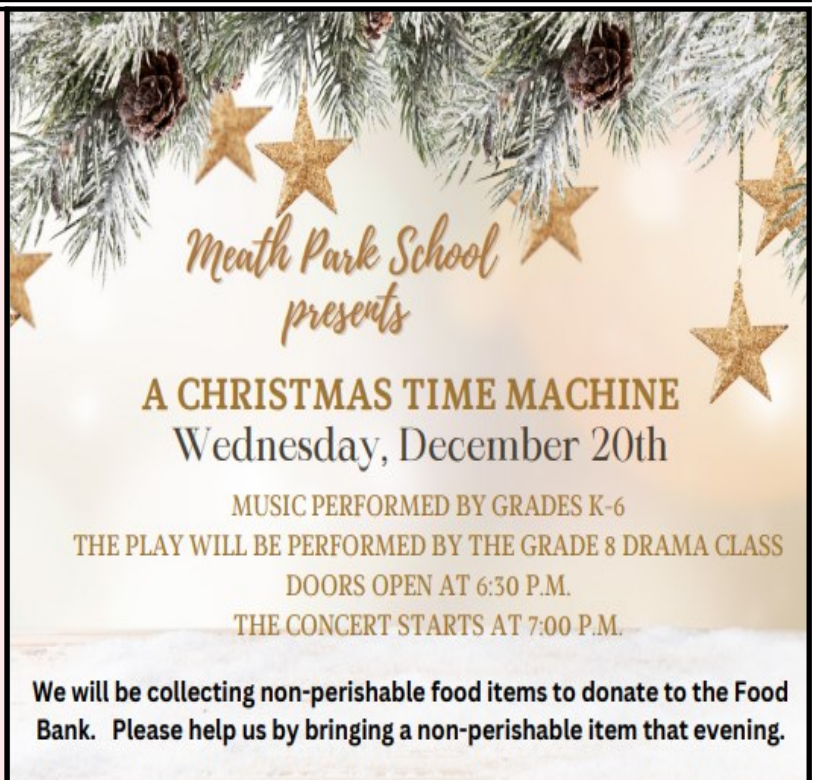

Thank you for your continued support, and we wish each of you a joyous and fulfilling December.

Warm regards,

Matt Gray and Jennifer Painchaud
