WINTER BREAK

Dear Meath Park Public School Families,

We hope this message finds you well as we embrace the month of February, a time traditionally when we look ahead to the coming spring and warmer temperatures. This year more snow over the next few weeks would be a welcome addition.

As we navigate through the second month of the year, we want to emphasize the importance of fostering a culture of respect within our school. Respect is the cornerstone of a positive and supportive learning environment, and it plays a pivotal role in shaping the character of our students. Our Virtues lessons this month will focus on respect.

We encourage parents and guardians to reinforce these principles at home by engaging in conversations about the importance of treating others with respect. By working together, we can create a unified approach that reinforces the message of respect both in and out of the classroom.

In addition to our focus on respect, we want to express our gratitude for the continued support of our school community. Your involvement, whether through parent-teacher conferences, volunteering, or attending school events, contributes significantly to the positive atmosphere we strive to cultivate.

As always, please stay tuned to our EDSBY, Instagram, and Facebook feeds for updates on upcoming events, important announcements, and student achievements. Together, let's make February a month where the spirit of respect flourishes in every interaction, creating a harmonious and supportive environment for all.

Warm regards,

Matt Gray & Jennifer Painchaud

Principal Vice Principal

FERSTERS MARKET
**PRIME TIME
Fundraisers**

Due Feb 15, 2024

Navel Oranges:

- Navel oranges are a sweet, seedless fruit grown in sunny California.
- Ripened on the tree they have the best flavour and maximum amount of vitamins and nutrients.
- Oranges are a great source of vitamin A and C, dietary fibre, thiamine, potassium and calcium.
- Aside from fresh eating and juicing you can also use the navel oranges as an ingredient when making salads or baking.
- You can also use the juice and zest. Great for flavouring, marinades, sauces, and syrups.
- Store in a cool room or fridge for 6-8 weeks.

\$50
44/box

\$55 Grapefruit:
20/box

- Pink grapefruit are sweet, juicy and tree-ripened ... literally stored on the tree to the peak of perfection.
- Wonderfully tart with a strong dose of sweet, pink grapefruit are best eaten at room temperature for maximum flavour so set them on the counter for eating within a day or two.
- An excellent source of Vitamin A and C, these pink grapefruit at breakfast gives you a great start to your day!

Proceeds go to the
Before & After school
Program

For more info call Jody 981-3575
