Happy St. Patrick's Day!

Dear Parents, Teachers, and Students,

As we march into March, we're met with the promise of transition and growth. It's a month that signifies change, a time to embrace new beginnings, and an opportunity to reinforce the values that define our community. At Meath Park Public School, we are committed to nurturing not only academic excellence but also the values of teamwork and integrity that serve as the foundation of our school culture. With that in mind, teamwork will be our character focus for March.

Fostering Teamwork:

Teamwork is essential in achieving success, both inside and outside the classroom. This month, we celebrate the collaborative efforts of our students, teachers, and parents in creating a supportive learning environment. Through group projects, extracurricular activities, and community initiatives, our students learn the importance of cooperation, communication, and respect for diverse perspectives. Let's continue to encourage teamwork as we work together to overcome challenges and achieve our shared goals. On **March 14th**, we will be hosting our Parent Progress conferences and look forward to engaging with you about your student(s)' growth in those areas.

Marching Forward:

As we transition into the next phase of the school year, let's embrace the opportunities for growth and learning that lie ahead. Change can be both exciting and challenging, but with a spirit of teamwork and respect, we can face any obstacle with confidence and resilience. Let's support one another, celebrate our achievements, and continue to strive for excellence in all that we do.

Thank you for your continued support and dedication to the values that make our school community truly special.

Together, we can make this March a month of growth, positivity, and success.

Warm regards,

Matt Gray and Jenn Painchaud

Bus Drop Off

The start and end of the day at the school can be a busy one, especially during bus drop-off and pick-up times. When dropping off, or picking up, your student (s) please remember:

- ⇒ Always yield to oncoming buses, trying to sneak out in front of them can cause unsafe situations for our students
- ⇒ The sidewalk in front of the school is meant for bus drop off and pick up. Please use the area meant for student parking on the east side of the lot to drop off or meet your student. Another option could be to use our South lot which is always plowed and open.
- ⇒ Remember, the south opening to the school parking lot is for the exiting of the lot, the north is for entering the lot.

Thank you

COME VISIT THE SCHOOL LIBRARY FOR
OUR ANNUAL SCHOLASTIC

BOOK FAIR

MARCH 12, 13 & 14 DURING
SCHOOL HOURS

JOB POSTING

Meath Park Public School Before and After School Program

PROGRAM DIRECTOR

2024-2025 School Year

We are looking for a motivated individual to take over the Director position for the upcoming school year. Anticipated start date September 2024. Experience as a leader or manager of an organized group a strong asset. Individual needs to be organized, ability to effectively communicate with program families and employees. As a relatively new program, this is an exciting opportunity to build and design the program for success for our students, school and community.

For more information and complete job posting please contact
