Hello and welcome to the 2024-25 school year!

I hope your family enjoyed a wonderful summer break and that your children are rested and ready for a new year of learning. I am incredibly excited to be your school administrator here at Meath Park Public School. As a proud graduate of Meath Park, it feels surreal to now serve in a leadership role at the very school where I completed my high school education. It's an honour to have the opportunity to dedicate my efforts to ensuring your children have the best possible school experience.

I'm pleased to introduce Mr. Ryan Gareau, our new vice principal, who joins us from King George School. Together, we are committed to working with our staff, your children, your family, and the wider community to live out our SRSD motto: "Excellence for Every Learner."

We welcome all returning staff and would like to extend a special welcome to our new team members: Mrs. Melanie Willie (Grade 3/4 teacher), Mr. Evan LaClaire (high school Math/Social/P.E. teacher), and our interns, Miss Buyaki and Mr. Friesen. We are also fortunate to have a half-time mentor this year, Lukadia Zdrill, another proud MP School graduate.

This year, our focus as a school is to strengthen our sense of community and belonging for all. Through purposeful programming, extracurricular activities, and family engagement opportunities, we will create ample opportunities for everyone to contribute to the overall well-being of our school community. Once again, we will have our MP School Clans, where students belong to one of four teams: the Black Bears, the Red Wolves, the Yellow Eagles, or the White Buffalo. These teams will meet monthly for team-building activities and friendly competition, with points earned for participation and team spirit. Once assigned a team, both students and staff remain part of that team throughout their time at MP School. Last year, we recognized immediately the positive impact these events had on student relationships and their sense of belonging throughout the school.

In addition, we will continue to emphasize character development through our monthly value focus. For September, we will be highlighting friendship. During morning meetings, students will have the opportunity to discuss the qualities of a good friend and how to navigate common challenges in friendships. By developing these interpersonal skills, we expect to see a positive influence throughout the school community.

We have exciting plans and big dreams for Meath Park Public School this year. Stay tuned for upcoming opportunities to get involved and engage with your children. Together, we can make this school year truly amazing!

Yours in education,
Mrs. J. Painchaud
