EDUCATION WEEK Learning is a Journey				

Dear Parents/Guardians,

It's hard to believe we've already completed two full months of school! Although it's been a busy start, we're thrilled with all the wonderful things that have happened so far. Thanks to the hard work, enthusiasm, and support from our staff, students, and families, we're well on our way to a fantastic year filled with growth, learning, and memorable experiences.

Thank you to everyone who contributed to our recent Walkathon, which was a smashing success, we raised \$10 828.00. Your support and participation made this event a huge success, and our students are going to reap the benefits of their hard work. Stay tuned for updates on the ways we improve our school through the funds raised.

We would also like to thank all the parents and guardians who attended our Progress Conferences. Your involvement is invaluable, and together, we are building a strong foundation for student success. We are committed to fostering a strong school community where open communication and collaboration are essential. Please don't hesitate to reach out with any concerns, outside of progress conference times.

We invite you to join us on November 7th at 10:30 a.m. for our Remembrance Day Service as we honour those who have served and sacrificed for the freedoms we enjoy. This ceremony is a meaningful time for reflection and gratitude, recognizing the courage shown by those who fought for peace and freedom.

Our theme this month is courage, an essential value we'll be exploring with students. We encourage them to recognize and practice bravery in their everyday lives, reminding them that courage comes in many forms. At school, courage might look like trying something new, owning our mistakes, standing up for what's right, or joining a new sport or club.

Lastly, we want to encourage parents and guardians to become involved with our school by joining the School Community Council (SCC). Our Annual General Meeting (AGM) will be held on December 4th at 7 pm. This is a fantastic opportunity to connect, share ideas, and contribute to our school's ongoing development. Childcare will be available, snacks will be provided, and we will adhere to a one-hour meeting.

Thank you for your continued partnership and commitment to our school community. Here's to a remarkable year ahead!

Yours in Education,

Jennifer Painchaud

Paying for school items just got easier!
