Welcome to October, everyone!

This month is full of exciting opportunities for learning, growth, and community. With the cooler weather comes the chance to dive into some exciting activities such as SRPSD's annual Cross Country Extravaganza, our school walkathon, and the *Opening Doors to Tomorrow* Career Fair. In addition, we have community organizations hosting a Children's Carnival and a Music Bingo - how fun!

There is no shortage of opportunities to stay involved and active in this wonderful community.

As always, our priority is planning meaningful learning experiences for our students. Our teachers are focused on using high impact strategies to ensure our students are engaged in opportunities for maximum growth and exciting learning. You can support your child's success by staying involved in their learning at home and ensuring regular attendance.

Are you wanting to be more involved in the school community? We are currently looking for individuals to join our School Community Council (SCC). By attending just five meetings throughout the year, you'll have the opportunity to share your ideas and help shape the school environment you want for your children. If you have any questions, please don't hesitate to reach out. No matter your skillset or the amount of time you can offer, we encourage you to join us.

Let's continue building a positive, supportive school community where every student feels a sense of belonging. Incredible things are happening, and we thank you for your support and contributions. We are anticipating a very successful walkathon which will allow us to afford resources to enhance our learning and extracurricular programming and environment.

As we shift our focus from friendship skills to gratitude, we invite you to join us in kicking off a 30-day gratitude challenge. There is so much to be grateful for, and we're excited to share this challenge with you.

Personally, I am grateful for the opportunity to work with such an amazing team: our students, staff and families. Together, we're shaping an incredible school year. Let's keep the momentum going – Go Meath Park!

Mrs. J. Painchaud
