Happy New Year, everyone! As we step into 2025, we are embracing optimism as a school and are focusing on creating a positive start to the year. This mindset will guide our efforts in supporting student success and well-being. With that in mind, we'll be setting goals in various areas to ensure a strong and successful finish to the second half of the year!

January is a busy month at our school! We are excited to host a presentation from SADD (Students Against Drunk Driving) as part of our efforts to encourage more high school students to get involved in this important initiative. A speaker from Regina will be joining our Grades 9-12 on Monday, January 13th at 1:00 p.m.

On January 27th, we invite you to join us for a family engagement event in celebration of Family Literacy Day. The theme this year is, *Let's Be Green Together*. Come and enjoy muffins and books as we share the joy of reading. Please watch for more details to come. The end of Semester one is quickly approaching, with final classes wrapping up on January 30th. Report cards will be coming your way shortly thereafter on February 7th.

Thank you to our parents and community members that came out to our SCC AGM. Our council currently has enough members to fill all positions; however, we always welcome and encourage new members to join us! If you'd like to get involved, please join us for the next meeting on January 15th at 7pm. Your voice and ideas matter!

Let's make 2025 a fantastic year together!

Warm regards,
Jennifer Painchaud
Principal
