As the days grow longer and temperatures begin to rise, we can feel the excitement of spring just around the corner! March is shaping up to be a busy and exciting month at our school, filled with fantastic learning opportunities, exciting events, and meaningful ways for students and families to connect.

This month, we are emphasizing the values of **perseverance and grit**– the determination to keep going, even when faced with challenges. Whether it's tackling a tough assignment, pushing through a difficult practice, or working towards a personal goal, these traits help our students build resilience and confidence. How parents can help at home:

1. **Encourage a Growth Mindset**– Remind your child that mistakes are part of learning. Instead of saying, *"I can't do this,"* encourage them to say, *"I can't do this yet!"*
2. **Praise Effort, Not Just Results**– Celebrate their hard work and persistence rather than just final grades or outcomes.
3. **Model Grit in Everyday Life**– Share examples of challenges you've faced and how you overcame them, whether at work, with a hobby, or in daily tasks.

Upcoming Events-Please join the fun!

On March 13th meet us at the Meath Park Skating Rink for a fantastic community skate! Let's lace up, hit the ice, and enjoy a fun-filled late afternoon together. The SCC will provide a canteen-we hope to see you there!

On March 26th our Grades 4-12 will enjoy downhill skiing at Wapiti Ski Resort. On March 28th we will host an outdoor King Trapper Event where we will get outside to compete in some outdoor survival type challenges.

On March 27th, we are hosting our second set of Progress Conferences for the year. This time, we're excited to introduce a new student-led conference model for K-8! Your child will take the lead, sharing their learning, goals, and achievements with you. This is a great chance to check in and stay connected to your child(ren)'s learning .

For Mustang athletics, our senior boys are wrapping up their basketball season while we begin badminton. Students from grades 6-12 will be representing our school in practices and competitions throughout the month. Please come out to cheer our athletes on.

March promises to be an exciting and rewarding month, filled with opportunities for learning, growth, connection.

Thank you for your ongoing support-we can't wait to share this month with you!

Warm regards,

Mrs. Painchaud
