Hello from Meath Park School!

We are welcoming the beautiful spring weather here at Meath Park School! With that, it’s wonderful to see students enjoying outdoor activities and making the most of the sunshine. It’s hard to believe it’s May, our second-last month of the school year.

Our school value for May is humility. Throughout the month, we’ll explore what it means to be humble—appreciating others, showing kindness, and recognizing our own strengths without boasting. Humility helps build character and strengthens the way we relate to those around us.

We have several exciting events planned:

Try K Day – May 7th

We’re excited to welcome families with young children to our Try K Day! This event gives parents and children a chance to explore our amazing kindergarten program, meet the teacher, and get excited about the 2025/26 school year. Snacks will be served!

SCC Meeting & Parent Technology Presentation – May 7th

At 5:00 p.m., you are welcome to join our SCC committee to hear about upcoming plans for our school. Following that, at 6:00 p.m., our Mental Health Coach from the Saskatchewan Rivers Public School Division will present on the effect of technology on developing brains. This informative session addresses children of all ages and offers practical tips for families.

Student Art Gala– May 22nd

Join us for an elegant black-tie evening celebrating our student artists. Families will have the opportunity to bid on their child’s artwork while enjoying refreshments and desserts available for purchase. It’s a special event you won’t want to miss, please mark your calendars.

Bike Rodeo – May 23rd

In honour of Bicycle Safety Month, our K–6 students will take part in a Bike Rodeo. Families are encouraged to bring bikes and helmets to school that afternoon so students can move through fun, hands-on safety stations.

Student Interns from the U of S

We are excited to host six student interns from the University of Saskatchewan in our classrooms for a couple of weeks this month. They’ll be learning alongside our students and staff—please help us give them a warm welcome!

Track & Field

Track and field season is here! Students are beginning to practice in preparation for upcoming meets. We look forward to a successful season with our Mustang athletes.

Thank you for your continued support. May is shaping up to be a month full of learning, growth, and community!

Yours in education,

Mrs. Painchaud
