Dear Meath Park Families,

We are excited to welcome everyone back for another amazing school year! The start of a new year always brings fresh energy and the promise of growth, learning, and connection. Our staff is eager to work with your children and partner with you as we create meaningful learning opportunities both inside and outside the classroom.

This year, we are excited to continue to offer several opportunities for families to engage with our school community. Strong family-school connections help build a supportive environment where every student can thrive. We look forward to seeing you at our upcoming events.

We extend a warm welcome to several new staff members joining our team this year:

- **Angela Yeaman** – Vice Principal/ Inclusive Education Coach
- **Mrs. Tara Wiberg** – Grade 7 / English 30
- **Mr. Jordan Friesen** – Grade 7-12 various subjects/ Construction
- **Mrs. Jenine Yuzik** – Grade 4/5 (until the end of November)
- **Mr. Adam Horachek** – School Counsellor

We are thrilled to have them bring their talents and passion for learning to our school community.

In the coming weeks, we will be kicking off our annual Walkathon fundraising efforts. This year, we’re adding a fun twist by turning the walk into a Colour Run! We are looking forward to this exciting event and the opportunity it brings to come together as a school community in support of student learning and enrichment. Watch for upcoming news!

Our school will continue to focus on building strong character and positive relationships by highlighting a monthly value. Each month, students will learn about, practice, and celebrate a different value that helps guide how we treat ourselves, others, and our community. We will begin the year with the value of Respect. Respect means treating others, ourselves, and our environment with care. Students will explore what respect looks like in the classroom, on the playground, and in our community. We encourage families to talk about respect at home as well, so together we can create a culture where everyone feels valued and supported.

We are looking forward to a wonderful year filled with learning, growth, and connection. Thank you for your continued support and for entrusting us with your children’s education.

Yours in Education,
Jennifer Painchaud
Principal
