Greetings MP Families and Friends,

We are off to a wonderful start to this school year! Routines are in place, expectations are clear, and our students are settling in so well. We are fortunate to have such caring, dedicated staff and a supportive school community. Together we are creating many exciting opportunities for learning and connection.

This month we have lots to look forward to! During Education Week, with the theme *Seeds of Learning*, students will take part in fun activities that celebrate growth and discovery—watch for more details coming home soon. We are also excited for our Colour Run/Walk on October 3<sup>rd</sup>. A huge thank you to the following sponsors who have kick-started our fundraising efforts in a big way: Humphrey's Tavern, the Village of Meath Park, Whitford Construction, Painchaud's Mechanical, Rusty Anchor Marina, North Country Massage, and Candle Lake Home Hardware.

Your generosity makes a tremendous difference for our students and school community. We are so grateful for your support! This year, funds raised will go toward a new sound system for our gym. If our fundraising goes really well, we also hope to add some new fitness centre equipment, and classroom resources to support our school goals in literacy and play-based learning.

Other highlights this month include:

- **Opening Doors to Tomorrow Career Fair** (Grades 9–12) – October 15
- **MADD Presentation on the dangers of impaired driving** (Grades 7-12) - October 28
- **Halloween Family Dance** – October 30<sup>th</sup> from 6:00-8:00p.m.

Our values education focus for October is obedience. Obedience is about more than simply following rules—it's about learning to listen, showing respect, and making safe, responsible choices. By practicing obedience, students build habits that help them succeed in school, at home, and in the community.

As we celebrate Thanksgiving, we are reminded of how thankful we are for our wonderful students, families, and staff. Your support makes our school a place where children feel welcome, cared for, and inspired to learn.

Finally, we want to encourage open communication. If you ever have questions or concerns, please reach out to us directly. First-hand conversations allow us to work together quickly and positively to find the best solutions for our students.

Happy Thanksgiving from all of us!

Mrs. J. Painchaud
