As we step into March, we look forward to milder weather, longer days, and a month filled with learning and special events. A few notable highlights include our upcoming trip to Wapiti Valley Ski Resort for our Grades 4–12 students. They are always excited for the opportunity to shred the slopes with their friends. All students will also take part in our Outdoor Voyageur Games, where they will engage in trapper-style events and enjoy treats around the fire. These experiences help us connect with one another while building community and teamwork across all grade levels.

We are excited to welcome parents into the school for our upcoming Progress Conferences. This term, students in kindergarten to Grade 9 will participate in student-led conferences. This format allows students to showcase their work, reflect on their growth, and take ownership of their learning. We are proud of the responsibility and confidence this builds in our learners and look forward to sharing this experience with you. During conferences, our Scholastic Book Fair will also be set up in the library, giving families the opportunity to purchase new reading materials and foster a love of literacy at home.

Our character focus for the month is hope. Hope reminds us to look forward with optimism, to believe in growth, and to support one another through challenges. It is a powerful value that strengthens both learning and relationships throughout our school community.

We continue to invite parents and caregivers to be active partners in our school. Whether by supporting our nutrition program, helping with family engagement events, preparing Friday hot lunches, or volunteering in other ways, your involvement makes a meaningful difference. We truly appreciate any time and support you can offer. A special thank you [goes out](#) to the SCC and Before and After Committees for the thoughtful treats provided during Staff Appreciation Week.

We are also excited to share that we are creating space within our building for a childcare facility. As part of this transition, we have reimagined several learning spaces and have a few minor renovations underway to ensure these areas remain optimal for student learning. We look forward to the opportunities this addition will bring to our school community.

March promises to be a month of connection, growth, and hope. Thank you for being such an important part of our school community.

Yours in education,

Mrs. Painchaud
