As we head into the month of May, it's hard to believe we are nearing the end of another school year. This is an important time in our school as we wrap up classes, complete assignments, and prepare for year-end celebrations like Awards Night and Graduation. As always, we want to emphasize the importance of finishing strong. You can support your child's success by ensuring they attend school regularly, arrive on time, and come prepared and ready to learn each day.

May is always a busy and exciting month at our school. Some of the events our students will participate in include a day of outdoor learning at Little Red, a drama production by our senior drama class, our 2nd Annual Art Gala, and several track and field practices and meets. We are proud of the many ways our students get involved and showcase their talents both inside and outside the classroom.

This month, we are focusing on the virtue of patience. At school, this looks like students taking the time to do their best work, even when tasks feel challenging, waiting their turn and listening respectfully to others, and understanding that learning and growth don't always happen right away. Patience also means showing kindness to friends, managing frustrations in positive ways, and persevering when things don't come easily.

Construction is well underway to create a space for the Meath Park Early Learning Co-operative's daycare, which is slated to open in September 2026. Alongside this project, we are also making upgrades to several spaces within the school. It is exciting to see improvements that will have a positive impact on learning and increase access to resources for our entire community. We want our school community to thrive and grow, and that means making space for children of all ages.

As always, we encourage you to join us and get involved whenever possible. We are grateful for your continued support and the positive contributions you make to our school community. Your support has helped us purchase new resources and materials that make learning more engaging and fun, as well as equipment that has enhanced our gym and classroom spaces. The next time you visit, you will notice the addition of a brand new sound system in the gym.

Thank you for your continued support as we work together to make the most of these final weeks of the school year.

Yours in education,  
Mrs. Painchaud
